

## Barrett England

Vice President of Tenant Representation

### Professional Biography

Barrett England joined Vision Commercial Real Estate in 2013 after eight years in Commercial Lending with community banks.

Since joining Vision, Barrett has found great success in working with numerous tenants. While Barrett works with a number of established concepts, several of his clients are new to the DFW market and are building a leasing strategy for multiple franchisees and locations. Barrett is passionate about working with his client to implement a strategy that maximizes their location search and leasing process.
