Director

## Professional Biography

Bill comes to Vision with over 18 years of proven economic development experience in business recruitment, retention, expansion, development, and redevelopment while working for a DFW municipality with approximately 50,000 residents.

Bill was directly involved in facilitating a multitude of public-private partnership resulting in over \$30 million in new construction or redevelopment, and hundreds of millions in gross sales. The highlights of those partnerships include the corporate relocation of State National Insurance Company, the 70k SF corporate expansion of Texas Harley Davidson, recruitment of Texas Industries Sales HQ, construction of Mexican Inn Café, Chipotle, Movie Tavern, Chili's, On the Border, and Twisted Root Burger Company, and future construction of a Chick-fil-A site.

During his overall 20+ years in government and municipal work, Bill oversaw the operations of the following...
