

Drew Bobincheck, CCIM

Senior Vice President

Professional Biography

Drew Bobincheck, CCIM is a commercial investment and leasing broker. Drew is client and property specific, specializing in commercial leasing, land development and institutional investment transactions. He represents regional and national clients looking to acquire or dispose of investment real estate. Drew understands that each real estate property is different, and spends a great deal of time evaluating each asset providing focused marketing, investment analysis and trade market analysis to guide his clients towards their best financial decision. He has built a reputation of integrity, based on his dedication and honesty within the real estate industry.
