Professional Biography

It's not a transaction, it's a relationship. This ideal is what fuels my passion for Real Estate. I was raised in Lubbock and graduated from Texas Tech University in 1992 with a degree in Business Management. As part owner of WestMark Companies, I value hard work and face to face conversations. My goal is to build relationships with my clients so I can find the house specific to who they are, because when you are purchasing a house, it's not just four walls and a roof; it's a place where families are raised, and memories are made. With 25 years of banking experience, I have worked with customers specific to the real estate process, refined my leadership skills and built and maintained rapport. My hobbies include spending time with my wife Amie and our three kids: Josh, Chris, and Lauren, umpiring for local high school baseball and playing golf and tennis.
