

Michael Simmons

Vice President

Professional Biography

CAREER SUMMARY

Michael has enjoyed a successful career as a real estate investment consultant, developer, brokerage owner, primary broker and property manager. As a second-generation real estate professional, Michael has been associated with over \$1.4 billion dollars of real estate development and sales across the entire west coast, California, Oregon, Washington, Wyoming, Montana, Nevada, and Idaho. With a depth of experience in commercial sales & leasing, multi-family, resort & fractional ownership, retail development, and full service property management, Michael provides a broad perspective with the kind of leadership clients demand in today's market.

As the Director of Business Development at Norris & Stevens, Michael is ready to assist you in transitioning to the perfect team within our firm so that you can achieve your investment real estate goals.
