

Richard Boatright

Professional Biography

Education: Georgia Southern University - Statesboro, GA Bachelor of Science - Marketing

Career Summary: Richard began his career as an Investment Broker. With over 20 years in the financial industry, he helped build a small firm of 8 brokers to over 600 nationwide. He was with the same brokerage firm for over 20 years and helped clients manage their IRA's and stock portfolios. Richard holds a series 7 and 24 brokerage certificates.

After a long successful career as an Investment Broker, Richard has decided to repurpose those skill sets with Richard Bowers & Co. He has an exceptional grasp of market trends, financing options and strategies and an exemplary customer service provider promoting company success and relationships. He specializes in land and investments.

General Information: After finishing college at Georgia Southern University, Richard moved to Grayson, Georgia and has been a long-time resident of Gwinnett County since...
