

Trenton Price

President/Principal Broker

Professional Biography

Trenton Price is a Dallas/Fort Worth native, born and raised in Arlington, Texas. Trenton's passion and commitment for his hometown exude through his extensive portfolio of commercial projects spanning the Dallas/Ft. Worth area, including Globe Life Park in Arlington and many office and retail properties throughout the metroplex. Trenton's represents over 100 thousand square feet of space and over \$500 million in assets. He has a BA in Finance and had a successful career as a financial planner before moving into real estate.

Trenton joined Vision Commercial in 2017 after beginning his real estate career at another local firm. Starting out as Director of Vision's Mid-Cities/HEB portfolio he proved successful in providing client advisory services in landlord representation and investment sales. In 2019 he opened the company's new Arlington office at Globe Life Park. In 2021 he was elected President.
