

## Anna Sepic

Advisor

### Professional Biography

Prior to becoming a broker, I was an owner/operator of multifamily so I give the insight from the principal's perspective to my clients on existing multifamily investment opportunities. An MRED graduate of ASU in 2017, I also am able to give insight into various land development opportunities and have a large network of developers both locally and nationally for development opportunities ranging from Mixed Use, Multifamily, industrial and SFH.
