

Ash Parker

Senior Vice President

Professional Biography

Ash Parker closed over 200 lease and sale transactions in the past five years and was #1 Producer in 2013, 2014, and 2015 at Richard Bowers & Company (RB&Co). Mr. Parker is a Vice President and has sixteen years of transactional experience at RB&Co., where he specializes in third party office leasing and tenant representation. He has also represented clients in over sixty sale transactions including bank-owned REO property dispositions. Ash Parker has established a reputation as a highly adept negotiator and problem solver of complex space issues.

Mr. Parker's transaction experience also includes strategic planning and portfolio management for office and warehouse facilities. He provides comprehensive financial analysis focused on balance sheet implications and demographic analysis centered around potential customer bases. Mr. Parker can advise clients on identifying tax credits available through opportunity zones and less developed census...
