

Barry Conway

Managing Partner of Bowers Development

Professional Biography

Barry has been in real estate investment, development and brokerage businesses since 1973. From 1977 through 1989, he was partner and Southeast Regional Manager of Amrecorp Realty and was responsible for acquisition, management and financing of 37 real estate partnerships.

Barry was President of Omnicorp Resources, Inc. through which he is a general partner in the development and ownership of hotels. From 1995 through 2000, he developed and built nine Suburban Lodge Hotels from Colorado to Tennessee, Kentucky, Mississippi, Georgia and Florida.

Barry is a Managing Director of Bowers Development Company and a partner in COBAR Capital, LLC and Coastal Island Development Company, LLC who are developers of high-end subdivisions. COBAR developed Bellingham, a \$800,000+ residential subdivision in East Cobb County, Georgia. Coastal Island developed The Sanctuary at Tybee a beach front residential subdivision in Tybee Island, GA with homes ranging from \$660,000 to...
