

Bradley Gilpin

Broker

Professional Biography

Brad joined Unique Properties in December 2006 and primarily focuses on acquisitions/dispositions and lease negotiations of industrial, office, retail and land properties within the greater Denver metro area. With over eight years of experience, he has closed more than 670 transactions, resulting in representing an excess of \$218 million in sales volume. He has developed a reputation for dependability and for tenaciously protecting his clients' interests.

Clients choose to work with Brad because of his capability to provide solutions for both local-user real estate needs, and institutional investor's expectations. Four personal values that loyal clients count on from Brad are dedication, hard working, detail oriented, and a client-centric focus.

Originally from Missouri, Brad attended Missouri State University where he received his B.A. in Audio Engineering and a Minor in Finance and General Business. He has called Colorado home for over...
