

Cameron Mercer

Vice President

Professional Biography

CAREER SUMMARY

Cameron is a top-producing Vice President who specializes in new and existing multi-family properties, development, and land acquisitions in Oregon and SW Washington. Since joining Norris & Stevens in 2010, Cameron has excelled in creating significant value for his clients with his strong market knowledge, creative problem-solving and negotiating skills, and attention to detail. His extensive local experience stems from brokerage, management, development, and financing which allows his clients a full-service investment relationship.

With over twelve years of industry experience, Cameron works on 20-400+ unit market rate apartment properties in forty different submarkets in Oregon and SW Washington. Cameron knows that every deal is unique and uses a personalized well detailed plan to each opportunity. With his successful background in creating value through operations and brokerage, he is recognized as an industry leader in...
