

Gregory Nesting

Principal

Professional Biography

Greg Nesting specializes in the acquisition and disposition of investment and owner/user properties as well as Landlord and Tenant representation of industrial sales and leasing for the Portland Metro area.

Greg is one of the most respected industrial real estate professionals in the marketplace. He brings energy and organizational skills to accomplish his client's goals. Greg provides a variety of client services including fee consulting, sales, leasing, sale lease backs, site selection and negotiations, land and investment sales as well as tenant representation. Clients choose Greg for their business because they trust his ability to manage the process. He always puts the client's long-term interest above his own.
