

Hans Hansson

Principal

Professional Biography

Hans Hansson believes in the strength of independence, the use of technology, and the need to provide excellent service to our clients. In the business over 25 years serving as an active real estate broker while running Starboard TCN and now StarWest Property Management, Hans provides his clients a multi-level experience factor when working with his clients. He understands the workings of a business while also constantly studying the market place to insure that he properly advises his clients on the best opportunities available. Now with StarWest Hans and Starboard can provide one of the best property management platforms available again using the very best in technological tools to provide its clients not only a paperless world but the best communications between building and property management services possible.

President, Principal and Founding Partner STARBOARD TCN WORLDWIDE COMMERCIAL REAL ESTATE San Francisco, 1991- present Top Producer, 1992-2008
