

# Jacob Quesinberry

Senior Associate

## Professional Biography

Jacob Quesinberry, a Senior Associate with Poe & Cronk Real Estate Group, is a life-long native of the Roanoke region providing a host of value-added services in real estate, construction and project management.

As a 2002 graduate of Virginia Tech, Jacob received his Bachelor of Science in Civil Engineering and began his career as a roadway and land development design engineer with regional architecture and engineering firm HSMM (now AECOM). Jacob advanced his business and finance acumen through completion of a Master's in Business Administration from Colorado State University in 2010.

Jacob's professional resume entails a multitude of experience surrounding the real estate industry as an owner/contractor in residential building and development projects, contractor and project manager for commercial construction projects, as well as being a real estate investor performing his own property management and leasing services for his own...
