

John Hummer, CCIM

Principal

Professional Biography

John Hummer brings a unique set of leadership, management and development experience to Steinborn / TCN. Prior to joining Steinborn, Inc. Realtors, John spent 17 years as an executive in the investor owned hospital industry. John came to Las Cruces in July 2000 to lead the development and operation of the single largest private project in the history of Las Cruces, MountainView Regional Medical Center (MVRMC), a 172-bed, tertiary regional hospital, and MountainView Regional Medical Plaza, a 115,000 square foot medical office building. This project totaled \$100 million in total investment and has received state and national awards for its successful operation and return on investment. Prior to relocating to Las Cruces, John lead, developed and expanded major hospitals in Las Vegas, NV, Washington, DC, New Orleans, LA and Ft. Lauderdale, FL. In all, John has directly overseen the development and leasing of over 500,000 square feet of professional medical office building...
