

Mark Wood

Broker

Professional Biography

Mark H. Wood is a native Houstonian who has enjoyed thirty (30) years serving the vastly diverse needs of both corporate and government clients. He brings a track record of successful tenant representation in various transactions to include lease renewals, relocations, acquisition and disposition of properties, consolidations, subleasing and assignments. Mark has a demonstrated ability to recognize his client's comprehensive vision and unique goals, a proven history of developing and implementing cost saving strategies and delivering significant savings. His professionalism and detailed approach has resulted in over \$230 million in closed transactions.
