

Tim Pfeiffer

Vice President

Professional Biography

Bringing a keen entrepreneurial spark to Norris & Stevens, Tim's professional experience spans the real estate, high-tech, commercial machinery and agricultural industries. A graduate from the Cid Craig School of Business and holding a series of executive level sales positions, Tim understands the intricacies of developing and cultivating strong client relationships. In commercial real estate, Tim has become known for his abilities in establishing new markets and deeper penetration into existing markets through seasoned market analysis, and his unquenchable drive for service excellence. Overall, Tim brings a well-rounded background in business development, marketing and commercial real estate to the Norris & Stevens team.
