Professional Biography

Mr. Dorn is an Executive Vice President at Beitler Commercial Realty Services specializing in the lease and sale of investment property. In real estate for 24 years and at Beitler for 15 years, Tony has an impressive background in investment sales and leasing expertise in both the retail and office sectors.

Prior to joining Beitler Commercial Realty Services, Mr. Dorn was associated with Merrill Lynch, working for five years in the company's investment division. Consistent among the top producers in the real estate arena, Tony's association with Beitler Commercial Realty Services was his natural progression to be affiliated with a stronger, more creative and full service real estate company.

Mr. Dorn has an excellent knowledge of the commercial real estate market in the Los Angeles area, including properties currently on the market and under lease. His focus for the last several years has been the Westside, San Fernando & Conejo Valleys and...
