## CREXi OVERVIEW

---

### Marketplace

The CREXi Marketplace is the CRE industry's most active marketplace with \$1T+ in property deals across leasing and sales. It's a vibrant community where CRE professionals explore new opportunities, evaluate deals, and interact with brokers, buyers, and tenants.

### Marketing Technology

CREXi leverages behavioral insights and machine learning to match buyers and tenants with the right property assets, while engaging prospects through marketing and communication tools, and targeted email campaigns.

### Market Intelligence & Sales Comps

CREXi's Market Intelligence blends technology with comprehensive market-specific data, analytics, and sales comps to provide the context and information needed to make informed investment choices.

### Deal Management

Built-in forecasting, document management, and digital asset management streamline CRE transactions so you can streamline your work, close deals faster, and increase your bottom line.

## HOW CREXi WORKS

---

### List All Your Properties for FREE

Create a listing on CREXi in just a few minutes. Change or update listings easily. Need help? Our team can create your listings for you. Your listings can reach over 400,000 qualified buyers and tenants searching for properties on CREXi.

### Market Your Property

Create and send email marketing campaigns to active buyers and tenants using CREXi's marketing tools. Track engagement to close deals faster. Extend your reach by integrating your CREXi listings into your very own website.

### Get Real-Time Notifications

Get notified in real-time when anyone interacts with your listing. Use CREXi's lead management tools to zero in on specific, high-interest parties.

### Manage Your Deals

Store, manage, and control access to deal documentation in our secure, user-friendly due diligence vault. Provide invite-only access of information to capture only high-intent buyers.
