

Fred Paris

Broker

Professional Bio

Fred works commercial property owners to market their buildings and land as well as business people looking for commercial property. Prior to joining Mid-Atlantic Commercial, Fred spent 25 years in economic development at the local, regional and state levels. Most recently, he was Vice President of Marketing for the Peninsula Alliance for Economic Development from 1998-2003. During his tenure with the Alliance, he helped create 2,500 new jobs and \$250 Million in new investment by companies such as Symantec Corporation, Nextel Communications, and the John Deere Vehicle Group.
