

Monty Spencer

Principal

Professional Bio

An accomplished Real Estate Executive with extensive experience in the sale and marketing of income producing assets. Monty's access to income properties offers excellent opportunities for clients with 1031 exchange needs.

Monty also focuses on land acquisition for a variety of users, including retail, multi-family, industrial and single family development sites.

His experience enables him to provide land clients with site identification and acquisition, rezoning, and plan approval. Monty and Mid-Atlantic Commercial offer all clients the benefit of a professional image within the local business community and local governments.
